Following the numerous previous letters that I have addressed to you regarding the repeated and continuing terrorist attacks by armed terrorist groups on the city of Damascus and its suburbs, and upon instructions from my Government, I have the honour to submit herewith a table clarifying the numbers of civilians killed and injured as a result of rocket-propelled grenades and mortar shells launched by armed terrorist groups against safe neighbourhoods in Damascus from 8 to 11 March 2018. These terrorist attacks have killed and wounded many civilians and caused serious damage to public and private property and infrastructure.
